Dear Mr. Smith and Mr. Lindholm:

Ecology reviewed your response letters and enclosures, received on March 29, 2016 (Reference 2) and May 26, 2016 (Reference 3). These letters included corrective actions for items of non-compliance identified in the Single-Shell Tank System inspection. As of May 26, 2016, Ecology determined all areas of non-compliance have been addressed (References 1 through 3).

Ecology may re-inspect your facility to verify that these steps were actually taken, and that your facility remains in compliance.

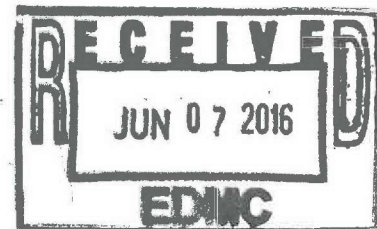

If you have questions or need further information, please contact me at (509) 372-7949 or [jared.mathey@ecy.wa.gov](mailto:jared.mathey@ecy.wa.gov).

Sincerely,

Jared Mathey  
Dangerous Waste Compliance Inspector  
Nuclear Waste Program
